SQC Report

Josh Roybal

FSNA-SW1 (CISCO IOS)

Clock	10	*No notes attached*
Hostname	10	*No notes attached*
Enable Secret	20	*No notes attached*
Management IP address	20	*No notes attached*
Default gateway	20	*No notes attached*
Password encryption	20	*No notes attached*
Local username & password	20	*No notes attached*
Apply local username/pw to console & VTY lines	20	*No notes attached*
Enable SSH/disable Telnet	20	*No notes attached*
Secure VTY lines with ACL (Mgmt access only)	20	*No notes attached*
Configure VLANs	20	*No notes attached*
Access ports (supporting Data & Voice)	20	*No notes attached*
Basic QoS for Voice support	20	*No notes attached*
Trunks to other switch (using gig ports)	20	*No notes attached*

Trunks to router	20	*No notes attached*
Spanning-Tree Root Bridge	20	*No notes attached*

FSNA-SW2 (CISCO IOS)

Clock	10	*No notes attached*
Hostname	10	*No notes attached*
Enable secret	20	*No notes attached*
Management IP address	20	*No notes attached*
Default gateway	20	*No notes attached*
Password encryption	20	*No notes attached*
Local username & password	20	*No notes attached*
Apply local username/pw to console & VTY lines	20	*No notes attached*
Enable SSH/disable Telnet	20	*No notes attached*
Secure the VTY lines with ACL (Mgmt access only)	20	*No notes attached*
Configure VLANs	20	*No notes attached*
Access ports (supporting Data and Voice)	20	*No notes attached*
Basic QoS for Voice Support	20	*No notes attached*
Trunks to other switch (using gig ports)	20	*No notes attached*

FSNA-RTR (CISCO IOS)

Sub-interfaces on G0/0 for Mgmt, Data & Voice	20	*No notes attached*
Dot1q encapsulation on each sub-interface	20	*No notes attached*
IP address on each sub-interface	20	*No notes attached*
IP nat inside on each sub-interface	20	*No notes attached*
DHCP for LAN Hosts	20	*No notes attached*
Configure the default route to point to the ISP	20	*No notes attached*
Add ephone directory numbers	20	*No notes attached*

VERIFY CONNECTIVITY AND CONFIGURATIONS

Lab is functional and hosts have connectivity	300	*No notes attached*
